FreshAir Mobile

- Reduces airborne contaminants and allergens
- Removes odors in stale environments
- Reduces particles such as dirt & dust from the air

Our pocket-sized purifier provides clean, healthy air when you're on the go; significantly reducing surface and airborne contaminants, odors and pollutants in the areas where you spend your time.

- Disinfects surfaces and air, removes VOCs, smoke and odors
- Reduces airborne contaminants and allergens
- Creates healthy, pure indoor spaces
- Uses a high intensity UVC light to oxidize and ionize the air
- Base is designed with multiple mounting options
