Air & Surface PRO

- Reduces airborne contaminants and allergens
- Removes odors in stale environments
- Reduces particles such as dirt & dust from the air

We are excited to share the testing results of the Vollara **Air & Surface Pro** with ActivePure Technology in reducing airborne SARS-CoV-2 virus which causes COVID-19. In independent laboratory testing, the Air & Surface Pro drove a 99.9% reduction in viral particles within 3 minutes. The test was run using only the ActivePure Technology in the unit at the lowest setting, with all other complimentary technologies and filters removed.
